The purpose of this form is to help our deacons, staff, elders and other servant-leaders identify and employ your abilities, spiritual gifts, talents, and desires in the Body of Christ. This information is also used to assist our deacons in forming a team of workers to serve in the work of the church.

Please take time to prayerfully consider your work and involvement in the Family of God at Royal Oak. You may want to preview the entire booklet before you complete the various sections. Spouses and teens should complete their own form.

Your time and effort are greatly appreciated. Please place your completed form in the ministry box in the lobby or the church office as soon as possible. May God bless you as you honor Him through your loving, serving and giving spirit.
